Welcome to Attack Zone, the homepage for NFHS Volleyball Officials Information. We believe you will find the information useful and utilize the resources to stay informed. It is our intention to continually update this site, and we encourage you to visit **Attack Zone** frequently for new and valuable information.

The NFHS Volleyball Rules Committee meets annually in January to discuss rules change proposals, editorial changes and points of emphasis for the following season. If you have a rules proposal you would like to consider, you're encouraged to work with your member state association - if they find merit in your proposal, they will forward it to the NFHS. This is your way to voice your opinion and potentially enhance the sport of volleyball for the youth of our nation.

The NFHS appreciates your dedication to the sport of volleyball and the students we serve!
